Dear Jim –

I hope you're doing well. I'm reaching out to set up a meeting with you during the week of December 12th for my a client that represents farm workers in California who've been exposed to glyphosate via aerial application of Roundup. The lead attorney will be in town and we'd really appreciate an opportunity to provide you with an update on their case, brief you on some of their findings and experiences, and also discuss EPA's work in this area.

Thanks in advance and please let me know what might work best for your schedule. Please let me know if you have any questions – we look forward to connecting and best regards,

JPM
